

My dear heart,
I listen and I hear
Your loving, steady voice.
Each moment's choice:
To flee or face my fear?
I'm standing strong. I play my part.

My Melody,
My Queen, my Highest Priestess,
I know - I feel - your ultimate desire.
I light your fire -
Ravish you to pieces.
I am myself. I'm true. I'm free.

My Universe,
I look - and now I see
The kindness of your every gracious turn.
I open and I learn,
I'm finding what I seek:
I feel your love. I stay the course.
